- Write your initial and surname on any additional sheets and clip them to your application form.
- Return your completed application form to the address shown on the front of this form by the stated closing date.

Tips for completing Personal Statement

• The decision to select you for interview will be based on how closely you meet the essential criteria shown on the Personnel Specification. Use this as a guide to what skills and experience you need to have. These may have been gained from paid work, voluntary or leisure activities, work in the home, training and education.

If you feel you meet any of the desirable criteria, highlight these too.

- You might find it helpful to do a rough draft first.
- Try to organise your answer into clear, concise points to demonstrate that you have the skills we are looking for.
- Accurate spelling, punctuation and grammar help to make a good impression.
- Highlight your transferable skills. The tasks that you have performed in the past may not be exactly the same as those in the job for which you are applying, but the skills you use to carry out the tasks are likely to be the same.
