Woden Primary School

Welcome back for the Summer term everyone!

We have an extremely busy term ahead of us full of residential visits and trips which I am sure the children are extremely excited about. I have no doubt our pupils will continue, this term, to demonstrate why Woden is such a special place through their amazing attitude to learning and fantastic behaviour.

News and Information

Residentials and Trips

Year 4 has returned from their Towers residential safe and happy. They had tremendous fun making dens in the forest and enjoying the sunshine on the beach.

Reminder: Please return the consent slips and the initial payments for Kingswood (Year 2) and Conwy (Year 6) residential. Year 1 will also be visiting a farm just before the end of this half term. Please return any outstanding slips and payments as soon as possible.

Key Stage 1 & 2 SATs

Monday 13th to Thursday 16th will be SATs week for Year 6. Key Stage 1 will also take their tests during this week. The children and staff have worked incredibly hard to ensure they are well prepared for these. We are sure they will do themselves proud and wish them a very best of luck.

Bicycle Stand

As the weather is gradually getting better we are seeing an increase in the number of bicycles and scooters that children are using to travel to school. It is a fantastic way for them to be active! Could we please remind you to help them to store their bikes and scooters securely at the stand as we cannot be held responsible for any damage or loss if these are not parked carefully.

After School Clubs

You should have already received a letter to secure a place in the after school clubs. The clubs will start Monday 3rd June and will run till Friday 28th June.

Please take note of the dates on the reverse of this newsletter. All information and much more is also available on our website: www.wodenprimary.org and our new e-Newsletter!

Woden's Attendance

The Government has set schools the target of at least 96% attendance. Last week's attendance for each year group is as follows:

Year 1: 94.5%

Year 2: 96.9%

Year 3: 93.9%

Year 4: 96.1%

Year 5: 97.4%
