Woden Primary School

Thank you for your patience and understanding with the current outbreak of the Coronavirus. Please can I reassure you that we are following all advice and guidance from both the Department For Education and Public Health England. We are continually reminding children about washing hands and using tissues. The health and safety of everyone is paramount! We will keep you updated on all advice and guidance if the situation changes.

News and Information

World Book Day

Children looked fabulous in their costumes and enjoyed taking part in fun activities on the World Book Day. They created their own story books, art work and had a story session with a story teller, who was very complimentary about the Woden children.

Sports Relief Day

This week has been packed with sports activities in which the children participated during their PE lessons. Today we all walked, jogged and skipped to complete our own Woden Walk of billion steps!

Parent's Evening

Parent's Evening will be on Thursday 19th March 3.15-5.45pm. Appointments lists are often completely booked for all teachers, therefore it will not be possible to see anyone without an allocated time. We will send a confirmation letter on Tuesday 17th March if you have already booked a time slot for an appointment.

Nursery Information Week

Open sessions will be held in Nursery for both morning and afternoon sessions from Monday 23rd March to Friday 27th March. These sessions will provide parents with the opportunity to look around the nursery and ask staff any further questions.

After School Clubs

Once again the after school clubs have been a real success and enjoyed by many children. Today was the last day of clubs for the Spring term. We are looking forward to offering many more exciting clubs during the Summer term.

Healthy Eating Workshop

**Please note that this workshop has been cancelled until further notice.
Sorry for any inconvenience caused.**
