

Silhouette art!

Paint the background with water paints.

Don't paint where there sun is. Leave this place blank.

Use black paper to cut the grass and the silhouettes of the birds.

Try also with the silhouettes of the underwater creatures.

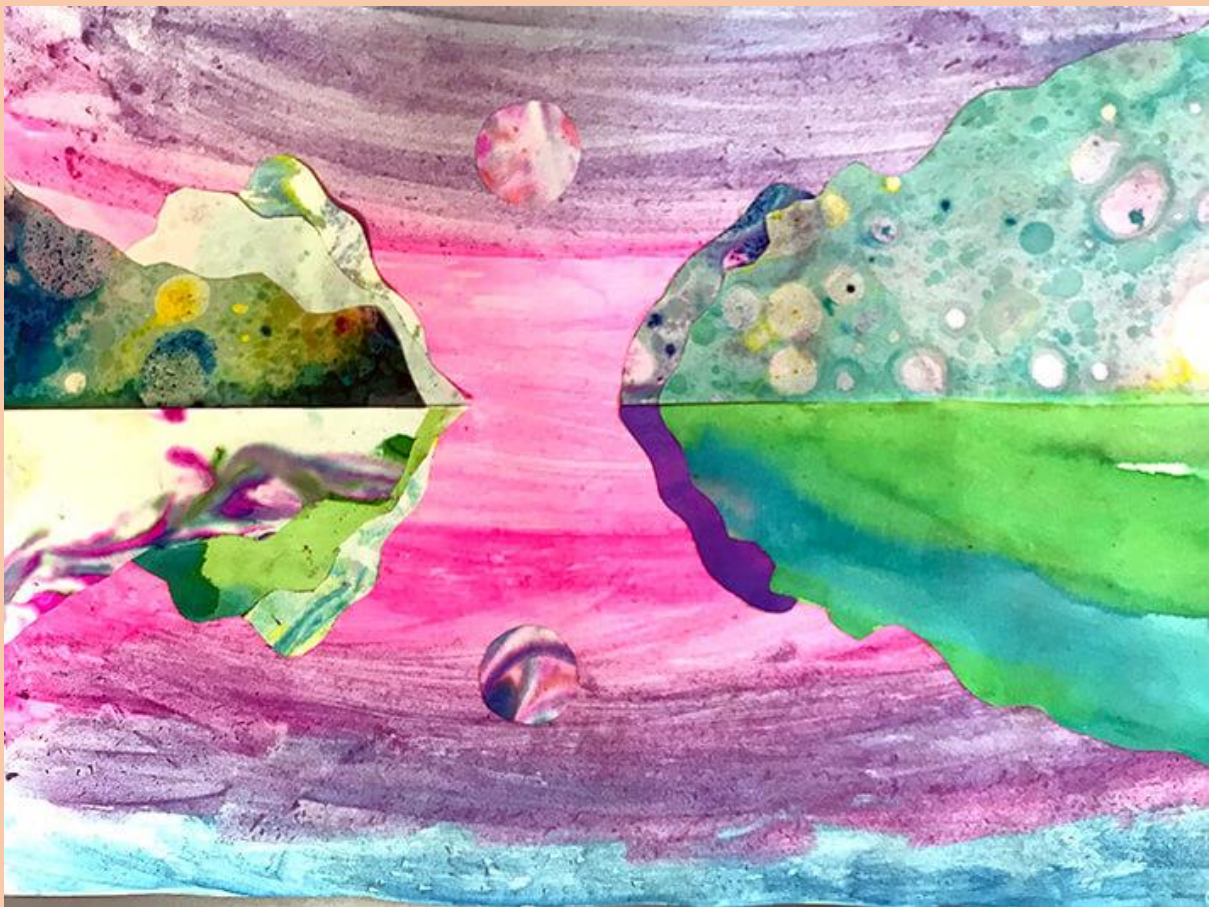

Or painted sunset and silhouettes of palm trees.

Draw the half of your portrait!

Print out your photo.

Cut it on a half.

And draw the other half.

At the end create colourful patterned frame!

Create colourful maps with a hidden treasure!

Make your paper looking old:

Dab a wet tea bag onto a paper to make it brown.

Crease the paper and rip it on the edges.

Next draw or paint colourful pictures, places and symbols.
