

Zentangle animals

Animals made of patterns.

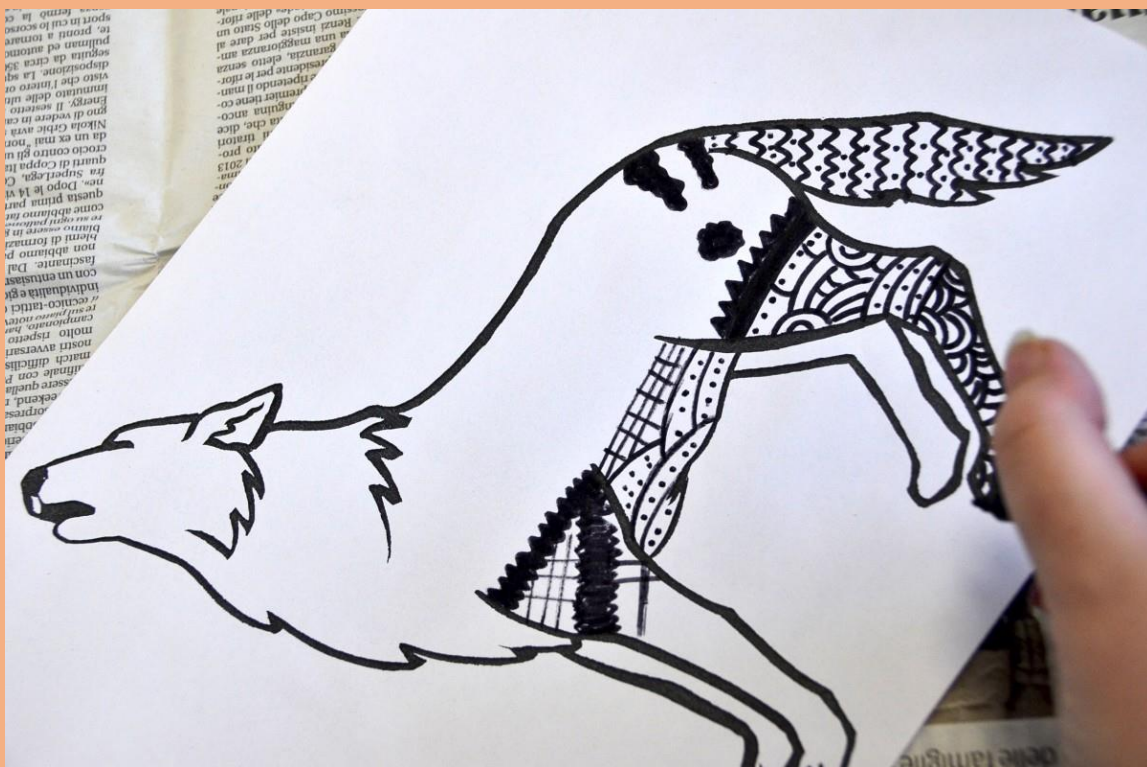

Draw animal shape

Divide it into parts by drawing lines with black felt tip

Draw different patterns in each of the section.

Use water paints to paint each section

Paint the background as well.

Instead of painting you can create patterns in the background.

Animals paper crafts

To create these animals you will need lots of different scraps of paper, old newspapers, cupcake cases, doilies, lollipop sticks, paper plates, etc.
