

Home-School Class Dojo Policy

Autumn 2021

Introduction

Class Dojo is an online platform which offers many useful features including positive behaviour management, parent/teacher communication and class/school newsfeeds. To ensure we are able to safely utilise what it has to offer, it is important that all users are aware of the following rules and expectations

The following policy refers to the use of Class Dojo as a home-school communication and remote learning tool.

Aims:

- To ensure key information relating to school life or classes is shared quickly and efficiently;
- To maintain the community relationship between Woden and families so that school continues to be an active presence in their lives;

In the event of children needing to self-isolate:

- For children to continue having a sense of being a part of their class, in contact with teachers and the life of their peers;
- For teachers to provide engaging activities and resources linked to the school curriculum to ensure learning is not disrupted
- For teachers to provide support for children in continuing with home learning through daily updates, portfolios and messages
- To monitor completion of set tasks and provide feedback
- To support children in using online communication media in a positive and appropriate way that is beneficial to their lives.

Pupils and Class Dojo

- Pupils will be awarded Dojo points when they show positive behaviours such as: sharing, helpfulness, good listening, being ready to learn, achievement, collaboration and behaviours linked to our school values. They may also be awarded points for additional work they complete at home.
- Dojo points will not be taken away for negative behaviour.
- Each class teacher will decide how Dojo points will be collated and rewarded, appropriate to age.
- Children do not have access to messaging services through their student accounts.
- Children must not access their parent's account or use it to send messages to their teachers.
- Pupils should not ask for Dojo Points; staff will be on the lookout for pupils who demonstrate the desired positive behaviours.

Teachers and Class Dojo:

- Teachers will be encouraged to award Dojo points to pupils when they demonstrate positive behaviours or attitudes to learning.
- Dojo points are not taken away for negative behaviours.
- Staff should be aware of the working hours (Monday-Friday 8.30am to 4pm) surrounding Class Dojo and that parents may message outside of these times.
- Teachers should not feel pressurised to check or respond to messages outside of the above time frame and are encouraged to activate 'quiet hours' on their account.
- Should teachers receive any messages which they find inappropriate, they should report them to a member of the Senior Leadership Team immediately so that they can take appropriate action.
- Should a staff member decide that Class Dojo is not a suitable way to respond to a question/concern, they may instead decide to telephone parent or organise a formal meeting.
- Should safeguarding or wellbeing concerns be raised through the use of the platform, teachers are responsible for ensuring that they are recorded on CPOMs and reported in line with our Safeguarding Policy.

Parents/Carers and Class Dojo

- Parents will receive an introductory letter to demonstrate the benefits of Class Dojo and how it works within the school.
- Parents can use a generated invite code in order to link with their child's class, either through the use of the smart phone app or the Class Dojo website.
- Only parents or legal guardians will be given access codes to Class Dojo. It is expected that up to two parents will be linked to a child's account; any additional adults will only be accepted in special circumstances.

Parent accounts also have the facility to send messages to members of staff, however the following stipulations apply:

- Parents may message class teachers at any time, however there is no expectation for teachers to reply outside the hours of 8.30am-3.30pm. This is essential to safeguard the wellbeing and work-life balance of our staff.
- The following matters should always go through to our Main Office and are not the responsibility of teachers to be passed on: absence, sickness, school dinner enquiries and complaints.
- Parents should not use this messaging tool to enquire about the progress of their child on any level, but can use it to arrange a meeting with class teachers to discuss any questions they may have.

- Parents who do not use the messaging system correctly will be given a warning should the service continue to be misused, they will be removed from the platform.
- Parents should look at the newsfeed regularly to keep up to date with messages, school events and information.
- Parents must make sure that children cannot access their parent account and are not able to send messages under their name.

Teachers will aim to reply as soon as possible to messages sent during school hours (9.00am-3pm) however, please be aware that any message sent during school hours may not be received immediately due to teaching commitments.

If you require an urgent response, please contact the school office.

Any information regarding pupil absence should be forwarded to the school office.

Appendix 1: Online Safety and Acceptable Use of Class Dojo

Online communication is a fact of modern life and we are using Class Dojo to support a strong link between home and school that enhances children's school experience. As stated in the school's acceptable use policies, we expect everybody to behave in a positive manner, engaging respectfully with the school and each other on Class Dojo, in the same way as they would face to face.

This positive behaviour can be summarised as being kind and polite and not making any posts which are, or could be, construed as rude, insulting, aggressive, bullying or otherwise inappropriate.

Class Dojo has been set up using parents' email addresses so that parents can use the app together with their child. This is a shared experience where they are modelling to and supporting their child in learning how to use online communication well.
