Learning to Make a Difference

Headteacher: Mrs S Walmsley  
Executive Headteacher: Mrs H Vernon

April 2022

Dear Parents,

Welcome to a new term which, as we are all aware, is very busy and could possibly be the most important one of your child's educational life so far!

Year 6 will very shortly be taking their SATs tests from Monday 9<sup>th</sup> May to Thursday 12<sup>th</sup> May (see additional information attached), any revision or support that can be given at home now will be of great benefit.

After the SATs the children can look forward to their residential trip to Conwy in Wales, which will be thoroughly enjoyed by everyone. Let's hope the weather is good!

Of course, the children will soon begin rehearsals for their Leavers' assembly as well, and over the final half term children will be given the opportunity to visit their secondary school as part of their transition program. Information and details will be given to you from your secondary school choice.

In lessons, children will continue with preparation for the SATs, after which, structured lessons will continue. In Maths, we will be focusing on reasoning and problem solving using all mathematical areas and in English we will be writing in both narrative and non-narrative styles. Our topic focus for this half term will be about the Black Country. Swimming will continue to be on Wednesday. During P.E. on Friday this term children will be focusing on athletics and rounders, both of which are outside, so please could you ensure that your child has appropriate trainers.

Finally, thank you for your continued support and we wish all of Year 6 luck in their tests!

Kind regards,

Year 6 Teachers
