Learning to Make a Difference

May 2022

Dear Parents / Carers,

Welcome back to our last but most important term of an academic year before children move up to Reception. We trust you had an enjoyable and restful holiday!

Nursery is made up of two sessions with staff as below:

AM Nursery and PM Nursery

Class teacher: Mrs Chadwick

Teaching Assistants: Miss Goodall and Miss MacDonald

This term the children will continue with Read Write Inc (RWI) where they will have a new sound each week. Children will also continue to learn a new number and rhyme each week from our learning scheme Ten Town, which the children can continue with this at home. This will help children to use correct number formation for when they are practicing to write their numbers. We also continue to work with numbers to 5 as well as working on numbers up to 10. The children have free access to work with concrete resources to help support them with counting.

Our topic for Summer 1 is 'Mini Beasts' where the children will be learning all about different types of mini beasts, their habitat and how we care for all living creatures. Also, within this topic the children will be working with stories of 'The Very Busy Spider', 'What the Ladybird Heard', 'Busy Bees' and a selection of other fact books on mini beasts. The children will have lots of access to new stories over the term.

Our topic for Summer 2 is learning all about 'Summer and Fun in the Sun'. The children will be introduced to lots of new books and stories alongside each weekly activity. The children will enjoy lots of activities outside and continue to use the forest school.

At the end of your child's session, your child will be called to the door by myself (Mrs Chadwick) with the TA's supporting your children on the carpet. Please be patient as we call your child to the door, although we aim to get them to you as quickly as possible their safety is our priority at all times.

We understand that you might have lots of questions and queries and we will try and keep you updated through our school website as well as Class Dojo, where you will be able to communicate with myself directly.

Many thanks,

Mrs Chadwick and the Nursery team
