

Learning to Make a Difference

January 2024

Dear Parents/Carers,

Welcome back for the Spring term and one which will be filled with learning. We hope you all had a restful Christmas break and would like to wish all parents, carers and children a very happy new year.

The Year Group is made up of two classes:

Class 13 – **Mrs Rush**

Class 14 – **Mrs Adshead**

Additional Teacher: **Mrs Godfrey**

Higher Level Teaching Assistant – **Mrs Sandhu**

Teaching Assistant – **Miss Kopiciewicz**

We have a number of online learning sites for our children to access at home which have been provided to children and can be found in their homework books. These will help children to apply Maths and English skills based on their learning during the past weeks. We also expect pupils to read their school book regularly and discuss the story and characters. These must be taken home every day and returned to school the following day. Learning times tables is also essential for their Maths work in school and activities may be set to support this. Please see the attached overview for more information on the learning we will be completing this term.

Children should arrive from **8.40am** each morning through their assigned entrance and should then go straight into their class after washing their hands. Registration is at **8.50am**. Any late pupils after this time **MUST** follow correct procedures and enter through the school office. The school day will finish at **3.10pm**.

As always, we continue to expect high levels of behaviour and attainment at all times. Class Dojo will be used to reward children for excellent behaviour and effort throughout the year.

We look forward to a very enjoyable term full of learning and progress. If you have any questions/queries now or throughout the remainder of the term, please do not hesitate to contact us by leaving a message on Class Dojo or contacting the school office.

Many Thanks,

Year 6 Team
