Once upon a time there was an old woman and an old man. They were starving so they decided to bake a Gingerbread Man. All of a sudden the Gingerbread Man pounced out of the oven and everyone kept catching him (Eventually). Eventually he stopped by the <sup>ick</sup> river. As soon as he snapped his fingers a magical, sparkly slide appeared. Later he found a delicious candy house so he knocked on the door. In a flash a beautiful gingerbread lady appeared. So he wanted to go inside but the gingerbread lady had kids! They lived happily ever after.
