Thursday 10th October
Lo: To be ably to use past tense.

Roald Dahl.

Roald Dahl was a famous poplar author who loved to make books for kids and a lot of kids to read his books.

Early Life of Roald.

Roald Dahl lived with his mom and dad in south wales.
Sadly his dad died when he was just seven.
Unfortunutly his sister died when he was just six.
He loved to spend time in the weekends with his grandparents in Norway.

School time!

Roald Dahl went to a school that was called repton. There would all ways be a sweet shop neer by. Roald Dahl loved to play pranks in the sweet shop. One time he found a dead mouse and put it in a jar of sweets. There was a Chocolate Factory that was also neer by they would send chocolate to the School for the Children to try.

Who started

Roald Dahl loved to fly he became a fighter pilot. Sadly Roald Dahl crashed his plane in a a place called Eygipt. Roald Dahl was sent to an Eygition hospital. Roald Dahl tried to fly agian but got a terrable headake.

The latest life

Roald Dahl marryied a girl named Pattrica Neal. He was 74 when he died. ~~His~~ He had 5 five children but one of them died when she was only seven. He loved to make books for children. He would allways read books to his children.

We will remember him for making nice books.

I am most pleased that I could talk about Roald Dahl.
