

Welcome to Year 3

Our Core Subjects

In English this term we will be focusing on a variety of genres, including: Narratives, reports, persuasion, poetry and poetry vocabulary.

Throughout the English units we will be focusing on Spellings, Grammar and Punctuation.

In Maths, our focus will be on angles and shapes, measures, applying multiplicative thinking and exploring calculation strategies and place value.

Throughout our Maths lessons, we will be focusing on Times Tables so we ask that you encourage and support your child with their learning of these at home, please. Pupils will also need to be fluent with corresponding division facts.

In Science Summer 1 our focus will be 'Where Do Light and Shadows Come From?'

In Science Summer 2, our focus will be on 'How Are Rocks, Fossils and Soil Formed?'

During these topics we will research, investigate and conclude our findings!

Our Foundation Subjects

History and Geography

In History, pupils will learn about how life during Anglo-Saxon times.
